Additional Opportunities

The following sponsorships also guarantee company recognition and advertisement to all attendees:

- Donation of Gift bags for attendees
- Donation of Lanyards
- Sponsorship of Wednesday Night Social or Thursday Dinner

WORKSHOP

Floodplain Management Basics

This 4-hour workshop is designed to enhance the knowledge and skills of local officials responsible for administering and enforcing local floodplain management regulations. The workshop will cover floodplain management concepts, floodplain mapping, and NFIP regulations.

Thursday, August 24th 8:00am – 12:00pm

CERTIFIED FLOODPLAIN MANAGER

The Association of State Floodplain Managers (ASFPM) has established a national program for certifying floodplain managers. This program recognizes continuing education and professional development that enhances the knowledge and performance of local, state, federal, and private-sector floodplain management professionals.

The role of the nation's floodplain managers is expanding due to increases in disaster losses, the emphasis on mitigation to alleviate the cycle of damage-rebuild-damage, and a recognized need for professionals to adequately address these issues. This certification program will lay the foundation for ensuring that highly qualified individuals are available to meet the challenge of breaking the damage cycle and stopping its negative drain on the nation's human, financial, and natural resources.

Exam Preparation

Study materials, including FEMA 480 NFIP Desk Reference and Study Guide are available from the ASFPM website:

<http://www.floods.org/index.asp?menuID=215&firstlevelmenuID=180&siteID=1>

Exam

TN AFPM will hold the Exam during our annual conference on:

Friday, Aug 25th 9:00am – 12:00pm

Application packet, processing, & exam \$450
OR with current ASFPM Membership \$100
(this is membership with the national association, not our State Chapter TN AFPM)

You must register for the CFM Exam through ASFPM:
www.floods.org

<http://www.floods.org/index.asp?menuid=405&firstlevelmenuid=180&siteid=1>

MEMBERSHIP RENEWAL

Tennessee

Association of Floodplain Management

Please don't forget – all memberships will expire on July 31, 2017. Please either renew your membership through the Conference Registration or utilize the forms on the following page and "snail mail" if you can't make it to Fall Creek Falls.

About TN AFPM

The Tennessee Association of Floodplain Management (TN AFPM) brings together people with a common interest in floodplain management. Members include concerned citizens, public employees and elected officials, engineers, planners, contractors, lenders, insurance agents, real estate professionals, students, corporate partners and local, state and federal agencies.

Our objectives include promoting interest in flood damage abatement, improving cooperation among government agencies, and encouraging innovative approaches to managing Tennessee's floodplains. In addition, we believe a unified membership can present one strong voice to communicate with state legislators on flood-related issues.

TN AFPM was organized in 2009 and is a State Chapter of the Association of State Floodplain Managers, Inc.

TN AFPM Website:
www.tnafpm.com

TN AFPM Purpose

Purpose of the Tennessee Association of Floodplain Management are:

1. To promote public awareness of proper floodplain management;
2. To promote the professional status of floodplain management and secure all benefits resulting therefrom;
3. To enhance cooperation and to exchange information among various related private organizations, individuals, and local, state, and federal agencies;
4. To keep individuals concerned with proper floodplain management well informed through educational and professional seminars and to provide a method for dissemination of information, both general and technical;
5. To inform concerned individuals of pending floodplain legislation and other related floodplain management matters;
6. To study and support legislation pertinent and necessary to the effective implementation of floodplain management regulations.

TN AFPM Mission

TN AFPM Mission

To promote and provide assistance for the responsible management of Special Flood Hazard Areas (SFHA) through education, cooperation and communication, thereby protecting the natural and beneficial functions of Tennessee's floodplains.

Stakeholders

- Floodplain Administrators
- Building Officials (TBOA)
- Codes Officials
- Planners (TAPA)
- Surveyors
- Local Officials
- State NFIP Coordinators
