

News for August 2016

- **[TN AFPM 7th Annual Conference](#)**

Our TN AFPM Annual Conference will be here soon - **August 23rd - 25th at Fall Creek Falls State Park**. The attached information flyer includes registration and lodging details, information for exhibitors and sponsors, instructions on the CFM Exam and Floodplain Management Basics Course, and the Full Conference Agenda - it is **JAM-PACKED** with representatives from FEMA, USACE, TVA, TEMA, TDEC, TDOT, TN OIR, and local industry leaders. The Chair of ASFPM, Ceil Strauss, also joins us this year as our Keynote Speaker on Wednesday, August 24th. We hope you find our agenda, presentation topics, and speakers cover a wide variety of floodplain management topics and areas of interest to you.

- **[2016 TN AFPM Elections](#)**

Voting is now open for our TN AFPM Board of Directors. The Board includes a total of seven elected offices (see below) with two-year terms. Votes will be tallied on-line and the new Board of Directors will be announced at the membership meeting of the 2016 TN AFPM Conference at Fall Creek Falls State Park. The new BOD terms of office will commence at that time.

- Chairperson
- Vice-Chairperson
- Secretary – position does not have a nomination at this time, please write-in your suggestions!
- Treasurer
- East, Middle and West TN Regional Representatives

- **[Recap of the ASFPM National Conference](#)**

Please see the attached “News and Views” newsletter from ASFPM for a recap of the 40th Annual National Conference in Grand Rapids, Michigan.

- **[Upcoming Training Opportunities](#)**

The UT Municipal Technical Advisory Service (MTAS) is partnering with the Tennessee Department of Environment and Conservation to offer a training workshop on the National Flood Insurance Program. They will be offering six of these sessions across the state. The sessions are scheduled for August 9th, 10th, 11th, 16th, 17th, and 18th. The sessions will last for 4 hours and will cover various topics of floodplain management including flood maps/studies, elevation certificates, and

recent legislation affecting flood insurance. All of the sessions are FREE but time is running out and participants need to register on the MTAS website in order to attend.
